HELLO EVERYONE

The Christmas/Awards Dinner is over and all who came had a great time. It was a very good time for the kids as they received the Santa gifts from the club. Thanks to everyone who donated to the cause.

Being an officer in the club is what makes the club run. Everyone should take a turn at being on the board to help the club stay stable and grow. The same people are on the board this year as have been for several years.

We just take turns and move around like musical chairs. We really need new members and some old members to take a step up and help the club. We need some new blood on the board.

We still need at least 2 more people to help with the Activities. Joe & Michael Reynoso will need help with the cook outs and the door prizes at the meetings.

We need more participation from all the members. We need more turn out for our Monthly meetings. Joe Venable is working hard to line up quality speakers for our meetings. It is really embarrassing for Joe and the club when he tells the speaker that there will be 20 to 25 people at the meeting and only 10 shows up.

These two things being said, it's time to talk about fishing. The first tournament is at Squaw Creek. You will need to make your reservations on line on the Sunday before the tournament. The tournament directors have volunteered to make all the reservations for all the club members. You will need to come to the January 3, 2012 meeting to get all the details and get your name on their list.

The tournament directors have put together an excellent line up for

this year. We should have some large stringers at weigh ins. With the drought conditions that we are having, everyone needs to be prepared to change gears at the last minute. If there is a boat launch open we will have a tournament. If all the launches are closed, we will need to make a change. Please come to the meetings so that you can stay up with what is going on in the club.

Our monthly meeting is being moved back to Coker's BBQ on Pioneer Parkway. We will start the meetings at 6:30 instead of 7:00.

### **AND THEN THE WIND BLEW**

Of course it did, it was the weekend that ABC has their tournament. As so many presidents before me have mentioned. If we have a weather change it will invariably happen on tournament weekend. And of course it was the Prize Tournament when we really wanted that BIG one.

Tournament Results are as follows:

- 1<sup>st</sup> Place Wayne Couch & Brad Garrett with 32.07 pounds  
Brad had Big Bass ( & a Calcutta) at 7.05
  - 2<sup>nd</sup> Place Bubba Sanders & Jeff Franklin with 22.62 pounds
  - 3<sup>rd</sup> Place Ray Bosquez & Charles Gilmer with 20.64 pounds
