Greetings ABC members and families. We are getting rain so that will help keep the lake levels usable. Time to look at the fire extinguisher on your boat and make sure it is not out dated. I have also found that if you run Sea Foam fuel additive from time to time it helps on performance and maintenance on the fuel system. You can get this at most auto part store and Wal-Mart.

Special Thanks to Charlie and Carla Ford for opening their house to us for the picnic. The food was awesome and the kids had a blast. The swimming pool was the perfect way to enjoy the warm day. Thanks to all that were able to make it and for the food and fellowship you brought. A great time was had by all.

September brings with it the kids tournament. Keep in mind all kids are invited and Joyce will need a list for prizes. Joyce is also taking donations for prizes and we are looking for volunteers to help with weigh-in and cooking lunch for all the hungry fisher-people. There will be other things to donate and a list will come out soon. Maybe this year we will have ketchup and mustard. Grab any kid in the neighborhood and bring them to Joe Poole on September 26 from 7am -12. Kids weigh anything caught (perch, carp, turtle, snake, catfish, bass (Slot lake 14-21), ECT.... Let them have a morning of fun!

Featured Anglers for August 2009

Dalton is now 13yrs old (4/29/96) and has always been interested in fishing since he was little. Up until this January, he had always played Baseball in the Southeast Arlington Little League. In January, he decided to give up baseball and join the Arlington Bass Club. He wanted to spend more time with Mom & Dad. In the past couple of years, he has gotten more and more competitive and has set his goals really high...His main goals for the year is to "out-fish" Dubee and be #1 in Division II. He really puts alot of pressure on himself.

Dalton's favorite method and lure is dragging a Carolina Rig with a Watermelon Seed Fluke. He also loves Crank Baits.

Dalton loves fishing every month and seeing the different places we go. He really loves hanging out and being "one of the guys". His favorite lake (so far) is Lake Fork. His best experience was in April, fishing from the dock at Lawson's (Fork) and catching a 5lb Bass (pictured) that almost pulled him into the lake. He was pitching a Mardi Gras Fluke. Unfortunately, he severely broke his arm skateboarding the next day.

Dalton's worst fish story is when he caught an 8lb Redfish at Fairfield in January, and broke it off right at the boat...Mom and Dad forgot the net back at home in Arlington.

Dalton can't wait to be old enough to fish Division I with the "big boys" and out fish all of them.

July Tournament

WOW I have never seen so much gas consumed in one place. The boats here never stop running. Not to mention the plane that was landing and taking off all day for two days. It was hot and the fishing was tough. The results are as follows:

Division I

First Place	Shawn & Cole Temple	9.15
Second Place	Terry Bollum & John Burroughs	9.00
Third Place	Jeff Franklin & Bubba Sanders	7.90
Big Bass	Brett Buie	3.60

Top Six after July

Jeff Franklin	73.71
Scott Dubee	69.84
Brandon Adamcik	64.93
Kevin Atkinson	57.07
Bubba Sanders	54.12
Terry Bollum	48.90

August Tournament

We are headed to Cedar Creek for our NIGHT Tournament. This is a two day event so weights will count. The hours are 4pm. to midnight then 1am to 9am. Weigh in will be at the Caney Cove Ramp on Hwy 31. This is a public ramp

August Meeting

Next meeting is August 4 7pm at Cokers. We will have Janet Parker from the WBT as the speaker. She won her first WBT event in May leading it wire to wire. Janet has spoken to the club before so come early and get a good seat because this is one not to miss. Her website is janetparkerfishing.com to see all her sponsors and work she does for charity.
