Now that we are in the middle of summer please remember to drink plenty of water or sports drinks to keep yourself hydrated. Heat Stroke and Heat Exhaustion can hit any of us at anytime, so be careful.

Fifteen teams fished Eagle Mountain. Outside of the lake being low we have a great tournament. In fact Eagle Mountain was our second highest total weight for the year. As a club we weighed in a total of 196.43 pounds of fish. The only month that we have done better was in March at Wood County where we had a total weight for the club of 222.93 pounds.

Scott Dubee and Dee Bennett led the way with nine fish weighing 28.05 pounds. Ray Bosquez and Charles Gilmer were second with eight fish totaling 22.41 pounds. Bill Wilcox and Jacob Collier finished third with eight fish totaling 18.42 pounds.

Scott had Big Bass with one that went 8.28 pounds. Dee Bennett is now in the lead for Lady's Big Bass with 3.64 pounds.

After Eagle Mountain the Top Six is as follows:

1. Brad Garrett – 42.41
2. Scott Dubee – 40.84
3. Jeff Franklin – 37.15
4. Ray Bosquez – 35.02
5. Kevin Atkison – 30.38
6. Gary Vick – 29.89
