Greetings ABC members and families. Please make sure you have a spare tire and make sure to check the air pressure in it before making long trips. This can save you and others from spending hours on the shoulder of the road. Take the time to check your fire extinguisher this month as well.

Well O.H Ivie produced the club Big Bass Record. Dale Washington was able to break this long standing record with a fish that weighed 11.80. Dale CONGRAGULATIONS and what an awesome fish. There are pictures on the website.

If you happen to find the Chicken Farmer please call Charlie Ford as soon as possible!

For those that were not at the meeting listen up! **Dobyns Rods** has offered one rod to each person in the club at 40% off. I will be taking the orders at the meeting or you can email me. I will place the order June 3 for the club, because this has to be a group order. This is a one time deal and one per person. So go to their website and get your order to me as soon as possible.

Thanks to Charlie, Gary and all that had a hand in preparing the food we had on Saturday. Great time and fellowship was had by all!

Angler of the Month is Dale Washington

Favorite lake- OH Ivie, Hubbard Creek
Favorite technique- Carolina Rigging
Favorite bait- Fluke

I started fishing at age 5 or 6 with my Grandfather.

My best memory was April 10th 2007 at Lake Fork. While fishing with Lance Vick. I had never caught a Bass over 10lbs and on that day I caught a 10.9 and on the next cast a 13.05. (Share a Lunker) We were strolling DD22 in 25ft of water. My second favorite moment happened at

OH Ivie on May 15, 2010 while fishing with my wife Dawn. We were strolling Carolina Rigs in 10-15 foot grass edges when I caught an 8.5 lb and 15 minutes later an 11.80. It was kind of cool sharing that moment with Dawn. We were both visibly shaken for some time after I caught the big one.

Dawn and I have been married 16 years and have 2 sons Blake (15) and Dylan (14) I also have a daughter Jessica (20). The boys and Dawn all enjoy fishing and hunting, Jessica doesn't care much for either. I am a partner in Ideal Pest and Lawn. My hobbies are basically Hunting, Fishing, High School Football and more FISHING.
