COOKOUT CONTACT

Charlie Ford
Gary Vick
Barbara Potts

Greetings ABC members and families. Please remember that the KIDS tournament will be September 25 from 8 am to noon. This will be held at Lloyd Park at Lake Joe Poole. This is open to any kids. There will be people fishing from the bank as well as boats. Anything the kids catch will be weighed. Please contact Joyce with the kids name and the age so that we have a prize for each kid. Hotdogs will be served after weigh in for everyone. We have talked about using this time as our Club picnic as well so those that are interested need to contact me as soon as possible. If there is not enough interest then we will just have the Kids event that day.

There will be a cook-out at Limestone. Please sign up at the meeting or call Charlie and Gary so they have enough food.

We still need a President, Secretary, Program Director and 2 Activity Directors for the 2011 board. If you are interested please contact one of us.

Special Thanks

When Billy asked me to be Member of the Month a while ago I made a comment about how I had not joined a club before because most of the people I had met were arrogant, selfish, and not at all friendly. This club defies all of that. Here, Dee and I have been accepted like family and this was proven ten-fold this past tournament at Grapevine.

On the way to Grapevine I blew the wheel bearings on my trailer. During the first weigh-in several people looked at the damage and immediately began offering help. Kevin a set of bearings, Scott his ample supply of tools and both graciously offered their time. After the second weigh-in Charlie, Gary, Billy, Scott, Kevin, Brian, Dan, and Clay began work on the bearings. Kevin ran Dee to Academy, Auto Zone, and Wal-Mart to get parts, while the rest banged and hammered on the welded bearings and spindle. After about 2 hours, we came to the conclusion that there was no hope, so Charlie called in a favor from Kevin at Roadmaster Industries. I left the boat at the lake and had the trailer towed to Roadmaster. The next

day the trailer had a new axle, at a reduced cost, and I got the boat picked up without further incident. All is well now.

During all of this I was not much help. Not having hydrated well enough I was sick from heat exhaustion and let me tell you it was HOT! The members, people I now call friends, continued to help in that God awful heat, while I tried to recover. I want to thank these friends for all the help that I never even had to ask for. They just offered. Y'all are great people and thank you from the bottom of my heart.

Thank you friends,

Garritt and Dee
