I would like to start off this letter with a special thank you from Brett Buie. He would like to thank everyone in the Arlington Bass Club for their thoughts and prayers sent to him and his family over the past month. Brett would like to especially thank Joyce LaHue, Gary Vick and Clay Garrett for their kind actions taken.

Now that we are past the New Year and everyone, hopefully, is back in their routine it is time to start fishing.

The year started off with a bang (so to speak). Ten teams battled for supremacy. Lake Graham proved to be quite the test. As each team came and went the anticipation and excitement built to an explosive level. As the last team arrived and weighed in everyone was on the edge of their seats waiting for the final results. Just as the pressure hit a fever pitch and was about to boil over the announcement was made. Brad Garrett and Tray Hutchins showed just who the best of the best was. Their two fish total weight 7.91 pounds blew away the field. This winning weigh was help with Brad's big bass of 4.70 pounds. I have heard reports that Tray has let everyone know who the dominate fisherman is at The River Bottom and his name is not Brandon.

Second place went to Bubba Sanders and Jeff Franklin with 3.86 pounds.

In third place was, well, at least the chili was good on Saturday.

Congrats to the four who were lucky enough to catch fish.

Now that we got that out of our system it is time to turn our attention to Weatherford.

Fun n Sun Event

To help the local Bass Clubs Fun n Sun is getting everyone together at the Ft Worth location on February 24th. They are setting up tables for everyone to have a swap shop and to talk about a Top Six Event. They are also opening this up to the public to allow everyone come by and talk to all the clubs and hopefully gain new members. This event is free to everyone and food and drinks will be provided.

I have already set us up a booth and the only thing that has been asked this that I provide a count of how many people plan on coming so as to make sure there is enough food for everyone.

So bring all the stuff you do not want or need and be willing to make a deal.
